J. A. BARRETTO. 2. D'Aguilar Street. Hongkong, 20th July, 1889.

T. O. R The general principle will be followed of A NATURAL SOLERA SHERRY GROWN ON THE PROPERTY OF ONE OF THE

OLDEST SHIPPERS OF XERES This Wine is dry and soft on the palate, combining great flavour with delicacy of bouquet. Its purity is certified by the following Analysis of Dr. STEVENSON MAGADAM, and its price is remarkably low :--

"ANALYTICAL LABORATORY, EDINBURGE, 1888. "I have made scareful and exhaustive Analysis of a sample of Shury of the mark LA Tours. The results show this Sherry to be a natural Wine of great purity, free from added alcohol or other

ployed by those sufering from a weak digestion.

CHAPTER V.

LITTLE SUNLOCKS. One month only had then passed since the had followed punishments for sloth punish. ments for ignorance, and punishments for not the woman who lay behind him. this chief of petty tyrants, ending with the blow

long overboard. Then had followed twenty-

diet every second day and nothing between. while his ship lay at anchor in Ramsey Bay. What occurred thereafter at the house whereto be had drifted no one could rightly tell. He continued to live there with the trull who kept it She had been the illegitimate child of an insolu yent English debtor and the daughter of a neighhouring vicar, had been ignored by her father, put out to purse by her mother, bred in ignorance. reared in impurity, and had grown into a buxom hussy-idle, immodest, ruttish, the sewer of ! lawdness for bestial wen within a radius of wil By what arts, what hints, what appeals, what silurements, this trollop got possession of Stephen Orry it is not hard to guess. First, he was s hunted man, and only one who dare do any. thing dare open doors to him. Next, he was a foreigner, dumb for speach, and deaf for scandal, and therefore mable to learn more than his eyes God belp me. could tell him of the woman who had given him shelter. Then the big Icelander was a handhabi a while she is hankering after a fine-grown man. So the end of many conspiring circumstances was that after much gossip in corners, many jeers, and some tossings of female heads. the vicar of the parish, Parson Gell, called one day at the hui in Port-v-Vullin, and on the following Sunday morning at church little

Robbie Christian, the clerk and sexton, read out

the askings for the marriage of Liza Killey,

pinster, of the parish of Manghold, and Step-

hen Orry, backelor, out of Iceland.

What a wedding it was that came three weeks later! Liva wore a gay new gown that had been lent her by a neighbour, Bella Coobragh, a gir. Who had mount to be married in it herself the year before, but had not fully carried out her moral intention and had since borne a child Wearing such borrowed plumes and a brazen smile of defiance, Liza strutted up to the Communion rail, looking impudently into the men's faces, and sanoily into the women's for the church was thronged with an odorous mob that kept up the jabbering of frogs at stawn-and Stephen Orry slouched after her in his blowsygarments with a downward, shamefaced, nervous look that his hulking manners could not conceal Then what a wedding feast it was that followed: The little cabin in Port-y-Vullin reaked and smoked with men and women, and ran out on to the sand and pebbles of the beach, for the time of year was suring and the day was clear and warm. Liza's old lovers were there in troops, With a ker of rum over his shoulder Nary Crowe, the innkerper, had some down from the "Hibernian" to give her joy, and Cleave Kinley. the butcher, had brought her up half a lamb from Ballaglass, and Mait Mylchrosst, the net she could she would not now put him away. He she had once spent his earnings, he himself maker-s vensi old skinflint-had charged his should live on with her, husband or no busband, gave her nothing now. But suddenly a dark big snuff-horn to the brim for the many noses and she with him, wife or no wife. of the guests. On the table, the form, the three-legged stool, the bed and the hearth, they Kane Wade, sat down with old Bridget, shed sat together cheek by jowl, their hats hung on some crocodile tears, vowed she deren't have the roof rafters, their plates perched on their tould it on no account to no other mortal sowl,

And loud was their laughter and dubious their man had a wife in his own country! talk, Old Thurstan Coobragh lad off on the advantages of marriage, saying it was middlin' lifted her hands in horror, and nort day when plain that the gale nowadays must be wedded Stephen Orry went down to the boats Kane ings freshly darned. when they were bubies in arms, for bye-childers Wade, who had newly turned Methodist, was general way to look like a fool; but Nary Crowe he spoke that the fishing was wonderful lear saw no harm in a bit of sweatheartin', and Cleave living gettin', and if he didn't shorten hands it Kipley said no, of coorse, not if a man wasn't would be goin' begging on the houses they'd all busy preparations, laughed much and chatterputtin' notions into a gel's head, and Matt Myl. ba, sarten sure. obreest for his part thought the gels were amezin' like the ghosts, for they got into every home. Lize saw him coming, we tohed him from Where?" skaleton closet about the house.

as the sayin 'is, and don't know nothin'." others; and then there was a taste of a tosst to the Manumen had struck against foreign men Lisa's future in Nary's run. "Drop it," said 'Lisa, as Nary, lifting his cup,

leaned over to whisper... "So I will, but it'll be into your ear, woman said Nary. "So here s to the king that's comin" were gettin' nice extraordinary about a man's he pulled out for Maughold Head. By this time Stephen had slipped out of the moral character. noirome place, and was rambling on the buist shore alone, with head bent, checks ashy pale, eyes fixed, and his brawny hands thrust deep into

his pockets. At last, through the dense fumes within the house. Bella Coobragh noted Stephen's absence, and "Where's your man ?" she day. said to Lisa, with a tantalizing light in her eves. "Maybe where yours is. Bella." anid Liza. with a toss of the head; " near enough, perhaps, but not visible to the naked eye. The effects of going to church on Liza Killey tains after some sheep. Stephen waited, and

nature. With a man to work for her she became more idle than before, and with nothing to fear rity or a year's rent down. from spandal nore reckless and sluttish. Having hidden her nakedness in the rown of marriage, she lost the last rag of womanly shame.

The effects on Stephen Orry, were the deepening of his sloth, his gloom, and his helplessness. What purpose in life he ever had was paralysed. On his first coming to the island he had sailed Wede-a shrewd Manxman, who found the big, herself, and their child, but the revenge she had dumb Icelander a skilful fisherman. Now he set her mind upon she should not have. but with a look of sheer atupidity. And so the he could trust himself to do, and he determined two sat together in their ditch, sinking day by to fly away. Let it be anywhere—anywhere, it

The 'king' of Nary's toast soon came. 'A would surely follow him. ignored it.

Thus three spirit-breaking years dragged on packet lay ready to sail. and Stephen Orry grew wee-begone and stoneeyed. Of old he had been slothful and spiritless tainly he could, but where was his licence? once been a truth-feller, but living with a wo- must hold a licence permitting him to do so. man who assumed that he must be a liar, he had "Go to the High Bailiff," said the captain of the time," be thought. He put in his oars ended by becoming one. He had no company says her company, for his slow wit had found it the packet, and to the High Bailiff Stephen hard to learn the English tongue, and she alone Orry went. could rightly follow him; he had no desires save | "I come for a licence to go away into Ireland." the petty ones of daily food and drink; he had he said. no purpose save the degrading purpose of de- "Very good. But where is your wife?" said feating the nightly wanderings of his drunken the High Bailiff. "Are you leaving her behind wife. Thus without any human eye upon you to be a burden on the parish?"

Orry had grown coarse and base." cheer of a busy fire. Home! On reaching vex his memory no more.

n his arms. said, and while he dried the child's pitiful eyes, never to leave her however tempted. And when not to kiss it; but no, that would only make the he het drops started to his own.

One night after a storm an open boat came ashore, task harder.

He lit the fire, he cooked a cod be had brought he took it and used it to fish with, and thus he Suddenly a new thought smote him. What the hot drops started to his own. home with him, he ate himself, and fed the little lived, and thus he were away his wretched days. bad this child done that he should take its life?

father and mother both to it.

laughing like numbline into the big seared face child's basin. In summer he had stripped off shoes his grasp. above, them struggled in vain with sleep, he and stockings to bathe the little ankles in the bay, wrapped the child in his ragged guernsey and and in winter he had wrapped the child in his Heaven had set its face against it! Little Sunput it to lie like a bundle where the fire could jacket and gone, bare-armed. It was now four looks was not to die! Little Sunlocks was to warm it. Then all being done he sat again, and years old and went everywhere with Stephen, leaning his elbows on his kness covered his ears satride on his broad back or perched on his high and the story of his fortunes in the meantime is with his hands, so that they might shut out the shoulders. He had christened it Michael, but ing at their doors on the beach at Port Lague

brought him out of his hiding-place, and he had that of the blackest; and in the terror of his awoke there was a glint of rosy light, and when was little Sunlocks, and he was being carried been compelled to work before the mast. In loneliness he trembled at the thought that some it slept all was gloom. ten more days he hid signed articles as able day his horrible dumb secret would become seamen at the first English port of call. Then known, that something would happen to tell it tongue, and the woman, who found everything a foreigner from a ship in the bay had been ask. -that he was married already when he married evil that Stephen did, found this a barrier be- ing for him that evening. They had sent the

threats, scowls, orths and open ruptures with him, and had loved him and given up father. and home, and fame for him to this trull, who were to come! of a marlin-spike over the big loclander's now dragged him through the slush, and trod crown, and the little boatswain rolling head- on him and hated him. Then the bitter thought came that what she had suffered for him who eight days spent in irone, rivetted to the ship's had given him everything, he could never repay side on the under deck, with bread and water by one kind word or look. Lost she was to him for ever and ever, and parted from him by a yet Finally, by the secret good fellowship of a ship- wider gulf than five hundred miles of sea. Such mate with some bowels of compassion, escape had was the agony of his shame, and through it all come after slavery, and Stephen had swum ashore the snore of the sleeping woman went like iron throught his head, so that at lest he wrapped his arms about it and sobbed out to the dead fire

at his feet, "Rachel! Rachel! Rachel! All at once he became conscious that the heavy breathing had ceased, that the house was allent. that something had touched him on the shoulder. and that it ganot shadow stood beside him. It was the woman, who at the sound of his voice had awful thing that the child should continue to do arisen from her drunken sleep, and now gasped.

"Who is Rachel ?" in his elothes, he crouched lower at the hearth. ueither answering her nor looking up. Then with eyes of hate she cried again.

Who is Rachel?" But the only voice that answered her was the artless, so innocent, must come to this, all the gall voice that rang within him -"I'm a lost man, "Who is Rachel!" the woman cried once more, and the sound of that name from her lips, bardening it, brutalizing it, befouling it, was the born? Why had he not died? Would not the

shaken out of its stupor. Who is she, I say? Answer me," she cried in not that either; and yet yes, yes, yes, a raging voice; but he crouched there still, with his haggard face and misty eyes turned down.

hook him, and oried bitterly, "Who is she, this light o'love—this baggage P" At that he stiffened himself up, shuddered from head to foot, flung her from him and ans.

wered in a terrible voice. "Woman, she is my wife" That word, like a thunderbolt, left a heavy silence behind it. Lize stood looking in terror at Stephen's face, unable to utter a cry. But next day she went to Parson Geli and

told him all. She got small comfort. Goll had himself had two wives; the first had deserted him, and after an interval of six years, in which he had not heard from her, he had mar. old body in the south who had wished to adopt to the contrary be given before NOON, TOried the second. So to Liza he said. what proof have you? Nona."

menting in the bitterness of her heart. "Tut, woman, it's more common than you think for. 'And where's the harm? Och! it's happened to some of the best that's going. Now,

man raised both hands and shook his head. Then the thought leapt to her mind that she herself could punish Stephen a hundred-fold worse than any law of bishop or deemster. If

On her way home she called at the house

but would the heart of woman believe it? her Bridget, who had herself had four husbands.

Stephen took the bint in silence, and went off

the door, and studied his hard set face with a "But then," said Matt, "I'm an ould bachelor, grim smile on her own. Next day Stephen went of to Mett Mylchreest "Ha, ha, ba! of coorse not," laughed the the net-maker, out Matt shook his head, saying all over the island, and would not work with them. The day after that Stephen tried Nary Crowe. the innkeeper, but Nary said of course it wasn't " himself that was particlar, only his oustomers

> As a last hope Stephen went up to Cleave Kinley, who had land, and asked for a croft of five acres that ran down to the beach of Port-y-Vullin "Nothing easier," said Kinley, " but I must have six pounds for it, beginning balf-quarter

The rept was high, but Stephen agreed to it, and promised to go again the following day to seal his baruain. Stephen was prompt to his engagement, but Kinley had gone on the mounwere what they often are on a woman of base four hours inter Kinley returned, looking abashed but dogged and saying he must have good seon-

Stephen went back home with his head deep in his breast. Again the woman saw him coming, again she studied his face, and again she laughed in her heart. "He will lift his hand to me," she thought. "and then we shall see."

But he seemed to read her purpose, and to the mackerel fishing in the boats of Kane termined to defeat it. She might starve him. neglected his work, lost self-reliance, and lay Yet to live with her and to contain himself at about for hours, neither thinking nor feeling, every brutal act or heatial word was more than day deeper and yet deeper into the mire of idle, only out of the torture of her presence. One ness, moroseness, and mutual loathing. Never. place was like another in Mann, for go where

bim in the dark way he was going, Stephen At that Stephen's heart sank, for he saw that

his toll had been wasted, and that his savings But the end was not yet, of all this man was were worthless. Doomed he was for all his to be and know. One night, after spending the weary days to live with the woman who hated day on the sea with the lines for cod, the year bim. He was bound to her, he was leashed to a little child. Guard me while in sleep I lie, Take despening to winter, the air muggy and cold, her, and he must go begrimed and bedraggled me to Thy home on—on—" he went away home, hungry, and wet and cold; to the dregs of life with her. So he went leaving his mates at the door of the "Plough," back home, and hid his money in a bole in the where there was good company within and the thatch of the roof, that the touch of it might

Port y-Vullin he found the door open, the And then it fisshed upon him that what he hearth cold, the floor in a puddle from the driving was now suffering from this woman was after. rain, not a bite or amp in the cupboard, and his wife alling more than the complement and counterlying drank across the bed, with the child in its part of what Racbel had inffered from him in was the time-now-now. But no, it was grimv blueness creeping and crying about merhead, the years behind them. It was just—yes, it was harder now then ever.

It was the beginning of the end. Once again just—and because he was a man end Rachel a. The little face—so mient, so peaceful—how for-he fumbted the baft of his scamin's knife, and women, it was less than he deserved. But himb: midable it was ! The little soft hand in his own then by a quick impulse he plucked up the child ing, he sat himself down in his misery with re- big hard palm-how strong and terrible signation if not content, rowing never to lift. Stephen looked down at the child and his " ow God be praised for your poor face," he his hand to the woman, however termented, and bowels yearned over it. It cost him a struggle

quickly told. In shame of his brutal blow, as sound of the woman's heavy breathing.

well as fear of his wife's threat, he had stowed away in the hold of an English ship that sailed he fied from Reland, that he saw the full depth the same night. Two days later famine had of his offence? Crime it was, and he was, and . He taught it to speak his native Icelandio

bostswain. After that had come bickerings, her who once had been so pure and true beside destiny! that out of the father's ignorance was In five minutes he was there, and then his life's to shape the child's wisdom in the days that blood ran cold. He found the house empty, And little Sunlocks was eyes and cars to Stephen, and hope to his crushed spirit and intel-

ligence to his slow mind. At sight of the child the vacant look would die away from Stephen's face; at play with him Stephen's great hulking lege would run hither and thither in ready willinguess; and at hearing his strange questions. his wondrous answers, his pretty clever sayings, Stephen's poor dense wit would seem to stand Oh, little Sunlocks-little Sunlocks-floating

like the daydawn into this lone man's prison. house, how soon was your glad light to be overcast! For all at once it smote Stephen like a blow on the brain that though it was right that he should live with the woman, yet it was an so. Growing up in such an stmosphere, with such an example always present to his eyes, what At that word his blood ran cold, and shivering would the child become? Soured, saddened, perhaps cunning, perhaps malicious; at least adapting himself, as his tather had done before him, to the air he had to breathe. And thinking ONSIGNEES per Company's Steamer that little Sunlocks, now so sweet, so sunny, so

of Stephen Orry's fate rose to his throat again. What could be do? Take little Sunlocks away. I hat was impossible, for he could not take himself away. Why had the child been ed a petticoat knows how to hide her slatternly most swful thing by which his soul had yet been good God take him back to himself even now, in

Staphen's poor slow brain struggled long with this thought, and at length a strange and solemn Then she laid her hand on his shoulder and idea took hold of it: little Sunlocks must die. and he must kill him. Stephen Orry did not wriggle with his con-

science, or if he covened it at all he made himself believe that it would not be sin but sacrifice to part with the thing he held dearest in all the FTTHE Steamship world. Little Sunlooks was his life, but little ! Sunlocks must die! Better, better, better so! And having thus determined, he went caut. Capt. P. Moller, having arrived from the above iously, and even cunningly, to work. When the Ports, Consignees of Cargo are hereby requested little one had disappeared, he bimself would to send in their Bills of Lading for countersignever be suspected, for all the island would say I nature by the Undersigned and to take immehe loved it too tenderly to do it a wrong, and he diate delivery of their goods from alongside. would tell everybody that he had taken it to some | Optional cargo will be forwarded unless notice a child. So with Sunlocks laughing and crowing MORROW, the 22nd inst. "He may have sinned egainst the law, but estride his shoulder, he called at Kane Wade's | Any Cargo impeding her discharge will be house on Ballure one days and told Bridget how landed into the Godowns of the Kowloon Pier he should miss the little chap, for sunlocks was and Godown Co. and stored at Consignees' risk Then she went to the Deemster at Ramsey. going down to the Calf very soon, and would not | and excense. It was Desinster Lace—a bachelor much given come home again for a long time, perhaps not | No Claims will be admitted after the Goods She got as little cheer from this source, but for many a year, perhaps not until he was a big have left the Godowns, and all Goods remaining yet she came away with one drop of solace for. slip of a lad, and, maybe - who could tell?-he undelivered after the 27th inst. will be subject would never come back at all.

Thus he laid his plans, but even when they were complete he could not bring himself to be left in the Godowns, where they will be carry them through, until one day, going up if he'd besten you, or struck you" -and the good from the beach to sell's basket of crab and eels, he found Liza drinking at the "Hibernian." How she came by the money was at first his surprise, for Nary Crowe had long abandoned her; and having bitter knowledge of the way

> thought came, and he hurried home, thrust his hand into the thatch where he had hidden his FITHE Steamship savings, and found the place empty. That was the day to do it, he thought and he took little Bunlocks and washed his chubby face and company his yellow heir, ourling over his own great undeft fingers, and put his best clothes on him the white cotton pinafore and the red worsted cap, and the blue stock-

This he did that he might comfort the child were common, and a gol's father didn't care in a there already, and to d'him-whittling a stick as for the last time, and also that he might re-And little Sunlocks, in high glee at such ed long, asking many questions,

"Where are we going, father? Out? "We'll see, little Sonlocks; we'll see." "But where F Church P What day is this i "The last, little Sunlocks; the last." "Oh, I know-Sunday,"

When all was ready, Stephen lifted the child to the old perch across his shoulders, and made for the shore. His bost was lying aground there; he pushed it adrift. lifted the child into it, and leapt after him. Then, taking the cars. Little Bunlocks had never been out in the boat before, and everything was a wonder and de-

"You said you would take me on the way some day. Didn't you, father ? "Yes, little Suplocks, yes." It was evening, and the sun was sinking be-

hind-the land, very large and red in its setting. "Do the sun fall down eve'y day, father ?" It sats, little Sunlocks, it sets." "What is sots ?"

The waters lay asleep under the soft red glow, and over them the sea fowl were sailing. "Why are the white birds so eaming?"

It was late spring, and on the headland the presentative of this office will attend at the sheep were bleating. "Look at the baby one-away, away up amine damaged packages." yonder. What's it doing there by itself on the ook, and o'ying, and o'ying, and o'ying ?" .....

" Maybe it's lost, lit le Suplocks." "Then why doesn't somebody go and tell its father ? And the innocent face was full of trouble. The sun went down, the twilight deepened. the air grew chill, the waters black, and Stephen was still pulling round the head.

"Father, where does the night go when we are asleep P" "To the other world, little Sunlocks." "Oh, I know-heaven." Stephen stripped off his guernecy and wrapped t about the child. His eyes shone brightly, his

mouth was perched, but he did not flinch. All thoughts, save one thought, had fuded from his As he came by Port Mooar the moon rose. and about the same time the light appeared on Point of Ayre. A little later he saw the twinkle of lesser lights to the south. They happy children gladdened many happy firesides.

low murmur of the sea's centle swall. "Now is But no, he could not look into the child's eves and do it. The little one would sleep soon and then it would be easier done. So he took him in his arms and wrapped him in a piece of eatl-cloth. "Shut your eyes and sleep, little Sunlock."

"I'm not sleepy, I'm not." Yet soon the little lide fell, opened again and fell once more, and then suddenly the child started up. "But I havent said my p'ayers." "Say them now, little Sunlocks." "Gentle Jesus, meek and mild, Look upon a

"Would you like to go to heaven, little "Why not? " I want to keep with-with-my fath-The little eyes were closed by this time, and

the child was asleep on Stephen's knees. Now

one. Then he sat before the hearth with the And yet he could never have borne his punish. Who was he that he should rob it of what he child at his breast, as any mother might do, and ment but for the sweet solace of the child. It could never give it again?) By what right did he hung over it, as only, a woman could who had was the flower in his dungson, the bird at its dare to come between this living soul and heaven? mackled it there, for at length it had come to bars. Since that had night, when his secret had When did the Almighty God tell him what the him to know that if it was not to be lost and burst from him he had nursed it and cherished after life of this babe was to be? Stephen worse than orphaned, he must henceforth be it, and done for it its many tender offices. Every trembled at the thought. It was like a voice day he had softened its oatcake in his broth, and from the skies calling on him to stop, and a hand Firm. And when the little eyes, wet no longer, but lifted the barley out of his own bowl into the reaching out of them to snatch the child from What he had intended to do was not to be !

But late that night a group of people stand- this date. The people hailed Stephen and told him that
